Destructive Device Report of Inventory, Acquisitions, Dispositions, Manufacture INSTRUCTIONS

Requirements:

The Destructive Device Permit holder (permittee) must maintain current records of inventory, acquisitions, dispositions, and manufacture of destructive devices possessed and/or manufactured in California (Subdivision (a) of Section 972.2 of Article 3 of Chapter 12.5 of Division 1 of Title 11 of the California Code of Regulations (*11 CCR 972.2(a)*). Current records must be maintained on this form, or a computer generated printout of the same format (*11 CCR 972.2(a)(1)*). The permittee must make these records available to any peace officer or other persons designated by the Attorney General upon request (*11 CCR 972.2 (h)*).

The permittee must also submit to the Department of Justice (DOJ) an annual report of inventory, acquisitions, dispositions, and manufacture of destructive devices possessed and/or manufactured in California on this form, or a computer generated printout of the same format. The annual report shall present all destructive devices possessed by the permittee at any time during the reporting term. All acquisitions, dispositions, manufacture, and lost or stolen destructive devices, and all destructive devices in continued possession from the prior permit term must be reported. The annual report must be submitted to DOJ with the annual Dangerous Weapons License/Permit(s) Renewal Application, Form FD 031, (*11 CCR 972.2 (a) (2)*). Or, upon termination of the permit, a final report detailing disposition of all destructive devices must be submitted to DOJ.

Completing the Destructive Device Report Form:

The form provides three entry sections for reporting up to three separate destructive devices. Make as many copies of this form as required to complete your reporting requirement. Place a sequential Entry Number in the indicated space for each reported destructive device. The destructive device description line (first line of each entry section) must be completed for all entries. Enter the make, model, serial number, and caliber in the respective spaces.

Complete the acquisition line (second line of each entry section) for all destructive devices acquired since completion of the last annual report (for new permittees, report all destructive devices acquired since issuance of the new permit). For Acquisition Type, report "A" for acquired from a transferor or "M" for manufactured. In the respective spaces, enter the date acquired and transferor's name. For Transferor Type, enter "D" for a California destructive device permittee or "F" for an out-of-state Federal Firearms Licensee (FFL). In the respective space, enter the transferor's Destructive Device Permit Number whenever the transferor is a California destructive device permittee, or the out-of-state transferor's FFL number.

Complete the disposition line (third line of each entry section) for all weapons disposed since completion of the last annual report (for new permittees, report all destructive devices disposed since issuance of the new permit). For Disposition Type, indicate "T" for a transfer or "S" for stolen or lost. In the respective spaces, enter the date of disposition and transferee's name. For Transferee Type, enter "D" for a California destructive device permittee, "F" for an out-of-state FFL, "G" for an other government agency, "L" for a law enforcement agency, or "M" for a military agency. In the respective space, enter the transferee's dangerous weapons permit number whenever the transferee is a California destructive device permittee, or an out-of-state transferee's FFL number.

On the bottommost line of the form, enter your Destructive Device Permit number; your reporting period, which must be either continuous with or incorporating previous annual reports; and current page number as well as total number of pages of the report.

Please call the Firearms Division at (916) 227-3696 with any questions.
